MEMORANDUM FOR DIRECTOR OF PERSONNEL  
CENTRAL INTELLIGENCE AGENCY

Subject: Polygraph Examinations for USAF Academy Cadets

Reference: Your memo, 18 Jan 78, subject: Provisions of DoD  
Directive 5210.48, "The Conduct of Polygraph Exam-  
inations"

1. Reference memorandum requested assistance in waiving DoD Directive 5210.48, "The Conduct of Polygraph Examinations" for two Air Force cadets to be temporarily assigned to the Agency during the forthcoming summer.
2. Preliminary coordination on the subject between this office, OSD, and the Air Staff office concerned with Academy affairs revealed that too many possible complications could arise if this project were pursued. All involved expressed concern regarding the prudence of the proposed arrangement, especially if one of the cadets were to fail the polygraph examination. Follow on action with the Academy on this project has since resulted in the termination of the plan to send the cadets to the Agency for summer training. Therefore, this office intends to take no further action on your request unless at some future time the Academy reinitiates a request through the Air Staff and gains approval for the cadet training. This however, is not anticipated.

"On balance, I believe the program should be approved.-- I view it separately from, & therefore not competitive with, the Summer Intern Program.

"The concern expressed about a cadet busting the polygraph has some validity. I believe this should be frankly discussed with the U.S. Air Force Academy representative before the fact to preclude any recriminations if the worst should occur. /s/Jack Blake"
